EDUCATION

Government Engineering College Nawada
Electrical Engineering Bachelor of Technology
CGPA: 7.63

Nawada Bihar India
June 2020 - June 2024

Sri sitaram Harijan college
Science Higher secondary
Percentage: 74.20%%

Nalanda Bihar India
2018 - 2019

H/S Tulsigarh
Degree in High School
CGPA: 80.02%

Nalanda Bihar India
2016 - 2017

EXPERIENCE

Internshala | Python Developer

Remote | May 2023 - June 2023

SKILLS

Programming Languages: Python, Java, Html
Libraries/Frameworks: JavaScript
Tools / Platforms: Git, Gitbash, DSA
Databases: Sql, Mongo DB

PROJECTS / OPEN-SOURCE

3 - phase transmission line detection project

Power System Technology

The project combines hardware (Arduino, relays, sensors) and software (fault detection algorithms) to create an effective fault detection system. By promptly responding to faults, it contributes to maintaining stable power supply networks.

CERTIFICATIONS

- Python - Internshala.
- Web Development - Cisco.
